Fall Clean Up | Dredging | Concerns

Fall Clean Up

Please use the dumpsters parked at the playground and at the North beach for all your yard waste. The playground dumpster was switched out this past week. Do your best to put your waste as deep in the dumpsters as possible.

Dredging

Shorewood Hills has gotten the permission to dredge the South beach creek. 3 local operators have put in bids for the project, and one declined. Mike McDaniels is overseeing the dredging effort. Dredging has been scheduled and will start at the contractors earliest availability.

Concerns

Steve Foertsch is recovering from knee replacement surgery and has begun PT. Lue Butler is in rehab recovering from some respiratory issues and will be returning home shortly. Welcome home to those returning from travel and farewell to those heading out of town.

Falling into Winter

Happy Thanksgiving everyone and let the holiday season begin. Thank you all for being so prompt about retrieving your packages from the Post Office. Dumpsters are in place for fall clean up. Dredging should begin shortly on the South beach. Our thoughts and prayers go out to all the home owners and their family's during this holiday season. The office will be closed on Thanksgiving day, my family and I will be headed to Chicago Land to celebrate with our immediate family. If anyone needs anything don't hesitate to call:

Bjorn @ (312) 813-5100 or Steve @ (708) 710-9166
