ONGOING

Seeking volunteers for Summerfest! This event has long been a fun way to celebrate our community, or families and our environment through its many activities. This is largely due to the efforts of Knute Larson, who after 13 years has decided it's time for someone else to have a chance. There are many people who work every year to make the day of the event and the awards/ice cream social a success. We would love to have even more input from our community about ways to continue to improve and possibly expand Summerfest to reach everyone who would like to participate. If you are interested in volunteering to reimagine Summerfest and manage it, please email Bill Termini at bill.termini@gmail.com.
