

Our Tennis Chair Al Zelechowski is introducing new rules for Pickle Ball and Tennis Court Usage as follows:

## **Pickle Ball/Tennis Court Usage**

*May 22, 2019*

- 1. Courts are booked for one hour intervals: and players are expected to vacate the court on the hour. (For example, players that start at 1:30, are to vacate the court at 2:00.) If no one is waiting, players can continue playing.**
- 2. Courts can be booked no earlier than 24 hours in advance. Your card reserves court for one hour. No individual player can book a consecutive hour. Although any player can play continuously if someone in the group booked additional hours.**
- 3. On court number 2, there are now two Pickle Ball Courts. A second nail has been added to accommodate reserving a Pickle Ball court. Thus two cards are needed to reserve both courts.**
- 4. In the spirit of being neighborly, if court #1 is empty and tennis players are using court #2, we ask that tennis players move to court #1 to accommodate Pickle Ball players.**

## **Pickle Ball Invitational**

**Due to the great community interest, this year there is OPEN PICKLE BALL for all in the community on:**

**Memorial Day Weekend thru Labor Day  
Saturday and Sunday mornings  
8:00a.m. until 11:00 a.m. EST**

## **Cards to Reserve Courts**

**Existing cards can still be used. New cards are available by contacting Allan Zelechowski or Paul Rook. Cards are limited to one per household**
